★ **From the Music Department**

★ I have another exciting music program in store for your children. In keeping with the Orff program, it is necessary for each student in Grades 4, 5 and 6 to have their own English/Baroque recorder.

★ The music department will supply each student in Grade 4 as well as the new students in Grades 5 and 6 with a new recorder. Only if your child loses or damages his/her recorder during the year can a new one be purchased from the music department at R. F. Morrison School for \$5.00.

★ Not only will the Intermediate students focus on the Orff program as they learn to play their English/Baroque recorders using the Recorder Karate method, but they will also be involved in a Guitar program. As well, there is Junior Choir for the students in Grades 1, 2 and 3 and Intermediate Choir for the students in Grades 4, 5 and 6.

★ There are many Music Schools providing group instruction and private music lessons. If you would like any information about various music lessons and programs available as well as information for private music teachers from the Manitoba Registered Music Teachers Association, contact me at the school.

★ Thank you!
