

GROW YOUR CHILD'S DREAMS FOR TOMORROW

Get up to \$2,000 from the Government of Canada for your child's education after high school

Your child can get \$500 to help pay for their education after high school.

The money is called the Canada Learning Bond. It is put into a Registered Education Savings Plan (RESP), which is a type of account to save money for a child's education after high school. When you open an RESP, the Government of Canada will deposit \$500 into that RESP.

You don't have to put any money into the RESP for your child to receive the \$500.

There is a Learning Bond sign-up event happening near you!

Wednesday, May 8th, 2019

1:00 pm - 8:00 pm
Elwick Community School
30 Maberley Rd
