November 12, 2020

Dear Parent / Guardian:

I write to inform you that the Minister of Education has added three additional inservice days to the current school year. Two of those days will be scheduled before the winter break. There will be no classes:

Friday, November 27th

Friday, December 11th

The third professional development day will be scheduled in the new year.

These days are an important opportunity for our staff to engage in professional learning in order to become better at what they do.

It is also important to note that the restoration of these professional development days simply puts back in place the school calendar that we've traditionally had where there are ten professional development days between Labour Day in September and June 30th.

Thank you for your understanding and your continued support for the work of our school staff this year.

Sincerely,

Brian P. O'Leary
Superintendent

BPO/dlh
