June 2022

Dear Victory Families,

The month of June is one of the busiest months of the school year, as teachers take advantage of sunny skies and warmer weather to bring students outdoors as much as possible. So far we have had a lot of rain, but we are hoping this changes in the days to come! This year we can resume many activities that we had to cancel in previous years, such as our whole-school field trip, “Victory at Play” – a schoolwide event where all children spend the day outdoors engaged in games and play, and a farewell celebration for our Grade 5 students as they move onto Middle Years.

Seven Oaks School Division will offer BEEP (Balance Experiential Education Program) summer camp once again this year to Victory students in Grades 1 – 5. BEEP Camp is designed to provide quality learning opportunities to enrich the summer experiences of children. It is an activity-based program that infuses literacy and numeracy into daily activities. Qualified teachers and high school mentors bring exciting hands-on learning experiences to the children.

BEEP registration is online, opens to families on Friday, June 10th and has three different dates to choose from:

July 11 - July 22, 2022

July 25 - August 5, 2022

August 8 – August 18, 2022

BEEP Camp is **free** to Victory school students and includes a snack, fun activities, art, music, sports instruction, and outdoor learning. Children need to come prepared for outdoor learning every day (sunscreen, hat, jacket, rain gear, bug spray, etc.).

A registration link will be posted on the Seven Oaks School Division website on June 10th, and we will also email a reminder and a link to registration on Friday, June 10th.

Grade 5/Room 6

Wow! Grade 5 this year has been busy! We encountered many new and exciting experiences.

This year our class was part of a campaign called, 'Cool2bekind'. Basically, it teaches us the value of being kind.

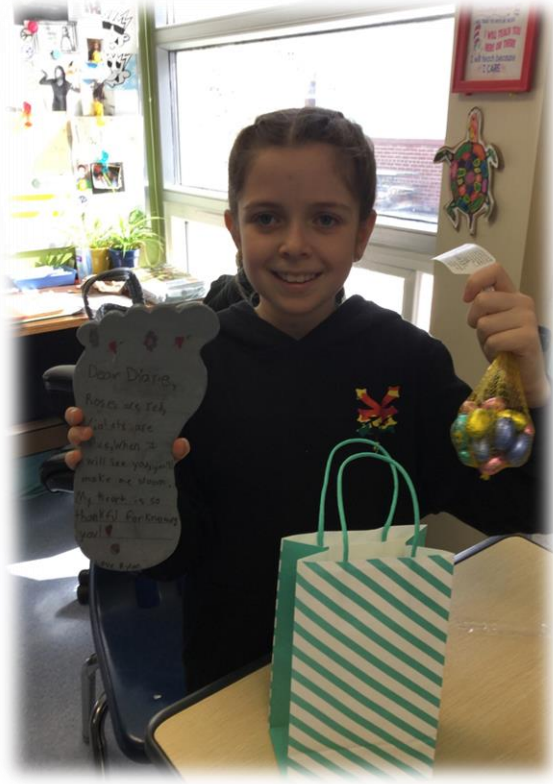

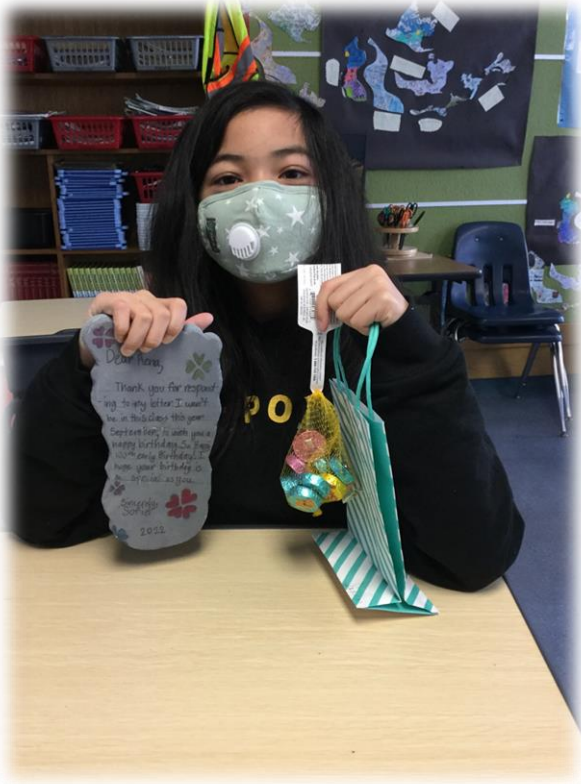

We decided to show our 'kindness' by reaching out to seniors, throughout our community. We wanted to make sure we reduced the seniors' loneliness by keeping them busy, but most of all providing happiness for them, through communication. They were going to be our pen pals. We agreed on calling our campaign, 'connecting generations through kindness'!

Senior receiving gifts

Our first connection was making Christmas cards. This allowed us to introduce ourselves to our new pen pals. Throughout the year, we wrote monthly to each other. We also created gifts for our pen pals. These gifts included a variety of art activities, poems, etcetera. As well as writing to our pen pals, our goal was to at some point meet them in person.

We wrote about a variety of subjects. We started off by writing about trivial topics such as the weather, free time activities, sports, TV programs, pets, foods and music they enjoyed. As we became more acquainted with each other, we wrote about personal matters such as family stories and events that happened in our lives. We were able to see things through the lens of a different age group.

Students preparing letters and gifts

These are comments from our class, expressing what we experienced when writing to our pen pals;

-I liked having someone to talk about my pets. I liked learning about Martha when she was young. I enjoyed giving gifts and sending letters.

-I liked sharing what each of us did in our lives.

-I liked how my pen pal taught me about the old days. I learned how to write letters. I liked how my pen pal supported me when I told her I wanted to be a firefighter. I like how our letters made their day.

-I liked learning about my pen pal and how we both like cars. I was so surprised. I like making them less lonely. They make me happy too.

-I like my pen pal. I like that they like hockey.

-I like having a pen pal, because it helps me work on my writing. I also learned how to read handwriting. I learned about my pen pal and her family.

-The three things I liked about having a pen pal were: it was interesting getting to know them, I learned how to write detailed paragraphs and I made a new friend.

-I learned a lot of things about my pen pal, like we both enjoy reading. I also learned about her grandchildren. I like giving and receiving gifts.

-I liked writing and getting to know my pen pal. I also learned how to be more creative in my writing.

-I liked getting to know my pen pal, it was interesting. I also learned to write a lot.

-I liked talking to Lidia. I learned how to spell better.

-I learned a lot about my pen pal, like what their life is and was. I liked receiving their gifts and I liked making gifts for them.

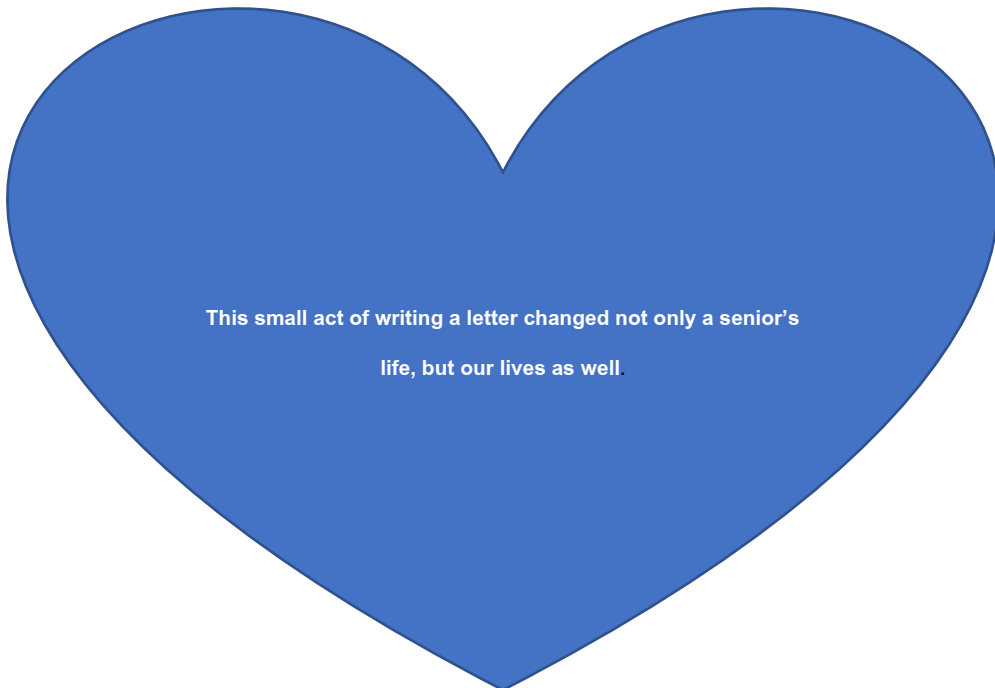

More letters and gifts

Overall, this was a fun experience. We learned so much. We created and formed new bonds. We expanded our world views. We traded jokes and inspirational messages. We learned how to write (grammar, vocabulary, idioms), and share ideas.

More gifts and letters!

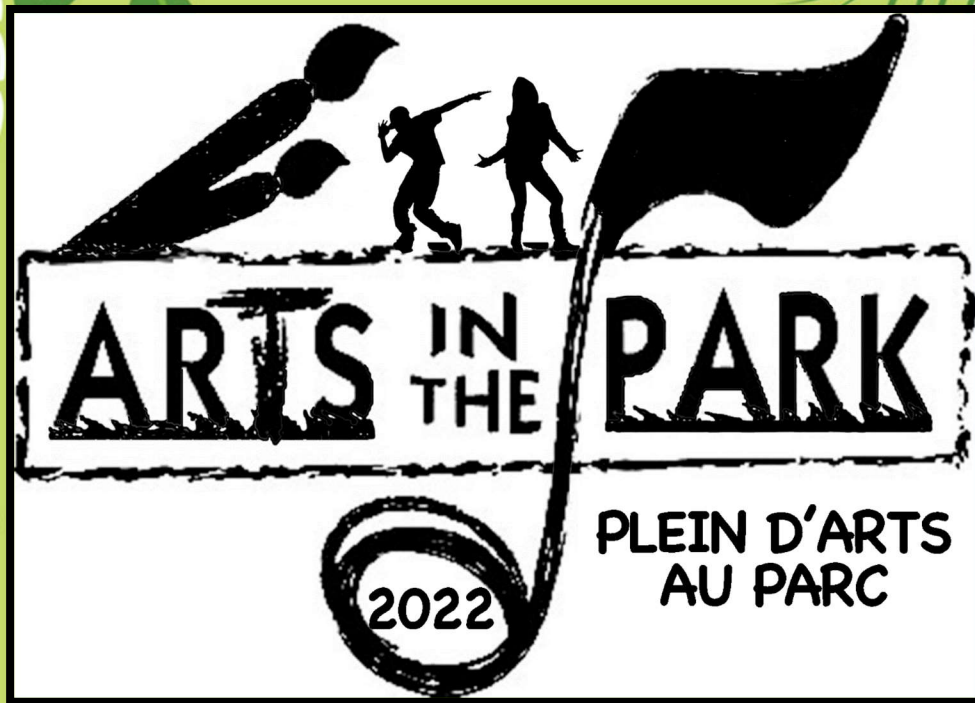

This small act of writing a letter changed not only a senior's
life, but our lives as well.

Victory Viper Physical Education

Congratulations!

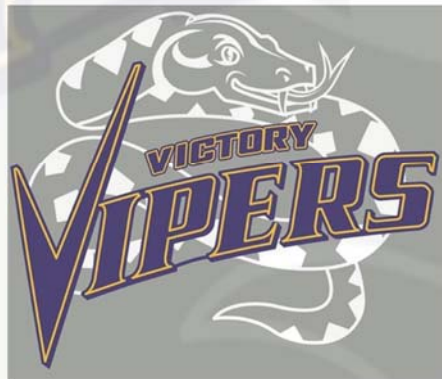

Congratulations to our Divisional Badminton and Cross-Country teams who competed at our Divisional events on May 11th and May 16th. It was an amazing experience for the athletes competing against other athletes from various schools, as well as, getting back to some normalcy to end off the school year. Congratulations again to all athletes and coaches!

Divisional Track and Field

Our last scheduled Divisional event is Track and Field, we have started working on our running events during PE class and will continue to visit the rest of the events (ie. 200m, 400m, Long Jump, Triple Jump, and Ball Throw. This year's Divisional Track and Field meet will take place on Wednesday June 8th at the new Garden City Track. The event will run from 10:00am – 2:00pm. Due to the nature of Track and Field scheduling, the Track and Field team will be selected based on times, scores, and distances collected at event trials in PE classes. A letter will be sent home to participating athletes at the end of May.

As we start seeing better and more consistent weather, we will be shifting PE classes outdoors. Students are asked to be prepared for the weather (ie. Sunscreen, Outdoor runners, Hats, Water bottle, etc.).

Actively yours,
Physical Educator
Mr. Pacag

2022-2023 Kindergarten Registrations continue for children born in 2017:
