

# WEST KILDONAN COLLEGIATE

## WEEKLY UPDATE

Adam Hildebrandt - Principal

Michelle Reimer - Vice-Principal

Elliot Macdonald - Vice-Principal

For the week of May 6<sup>th</sup> – 10<sup>th</sup>, 2024

### Yearbooks 2023/2024

**Yearbooks 2023/2024 can now be pre-ordered!** Order forms are available at the office that students can fill out. Yearbooks cost \$10 per book and can be paid in cash or by check, payable to West Kildonan Collegiate. Please stay tuned to our website for when you can pick up your yearbook in the fall. (usually available in October). **Yearbooks will only be available by pre-order for this school year. THE ORDER DEADLINE IS MAY 24.**

### Leave/Vacation Forms

**Please remember that if your student is absent for 3 days or more, we ask for a student leave/vacation form to be completed.** This ensures that students and teachers have conversations about expectations for assignments, tests, and projects that may be completed or will occur during student leave. The form is attached to the students' files after submission. *The forms are available in the office as well as on our website under 'Publications' as well as on the 'Parent/Student' – 'Parent Information' tab.*

### Parking

Please remind your students that they can park along **the wooden fence** in the parking lot, as they are all parking spaces on a first-come, first-served basis. **Parking anywhere else on the lot will result in the vehicle being towed immediately, without warning.** Visitors can register their license plate at the office to avoid being towed.

### 2024-2025 Transportation

#### **Important notice from the Department of Transportation:**

**All eligible students who currently ride the school bus MUST complete the online transportation application located on the Seven Oaks School Division Transport page.**

There are no web-based forms to fill out this year. All other students, please review the departmental policies and procedures to determine eligibility BEFORE completing the application. *\*We do not currently transport students in grades 9-12 who have public transport.\** <https://www.7oaks.org/Departments/Transportation/Pages/Application-Changes.aspx#/=>

### Cell Phone Expectation

Personal electronic devices such as mobile phones, gaming systems, iPods, etc., and wired/Bluetooth headphones **cannot be used or accessed during classes.** We prefer students to leave their mobile phones at home, however, if a student brings their cell phone to class, they will need to remove their mobile phone from themselves or their backpack and put it in a storage container in the classroom. The original letter sent to the families can be found on our website.
