Dear Parents and Guardians.

We have been enjoying a mild autumn so far and kids have been enjoying playing outside. We are getting warning that snow is on the horizon. We will continue to go outside for recess and learning throughout the school year. Please be sure that your children are dressed for the weather each school day.

The PAC Halloween Dance was a huge success with 600 children and parents attending. Other than the music and dancing in the gym, families enjoyed the excellent decorations, games area and enjoyed popcorn, candy floss, and drinks in Red River Hall.

Our Middle Years classes will be having their Halloween dance on the afternoon of the 31st. Students are asked to bring a non-perishable food item that will be donated to charity.

We are proud to share that West St. Paul School grade $\frac{3}{4}$ teacher, Kim Greening, has been recognized as a Prime Minister's Award for Teaching Excellence for 2023. She is recognized for her achievements in teaching and for her commitment to preparing students for a digital and innovation-based economy. Congratulations Kim!

A reminder that Wednesday, November 1 is a divisional in-service. There will be no school for students. All staff will spend the morning listening to Tomson Highway, the renowned Indigenous author and artist.

Our Farm to School Vegetable orders are due on November 9th. Click on the link to order your vegetables: <https://peakfarmtoschool.com/> Vegetables will be available for pick up on November 22-24 during parent teacher conferences.
